For: ELECTRO-OPTICAL DEVICE, METHOD TO DRIVE THE SAME, AND

ELECTRONIC APPARATUS

REQUEST FOR RECONSIDERATION

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In reply to the December 11, 2007 Office Action, reconsideration of the rejection is respectfully requested in light of the following remarks.

The Office Action rejects claims 1-12 on the grounds of obviousness-type nonstatutory double patenting. Specifically, the Office Action asserts that the pending claims 1-12 are not patentably distinct over U.S. Patent No. 7,145,530. In order to overcome this rejection, a Terminal Disclaimer related to the above-identified U.S. Patent is attached. Therefore, this application is in condition for allowance.

Accordingly, reconsideration and withdrawal of the Rejection as enumerated in the Office Action are respectfully requested.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claim 1-12 are earnestly solicited.
